Recreating Club Records

Recently, an email was distributed to members requesting stock certificate numbers for verification purposes. Historical and present Club records – Board Meeting Minutes, Annual Membership Meeting Minutes, attendance sheets, and stock certificates – were destroyed in the August flood. The Board Secretary is trying to recreate these records. Thank you to the many members who responded to the inquiry. For the members who were not able to locate their stock certificates right away or have them stored in a safety deposit box, please provide your stock certificate number at your convenience during the 2008 season. Thank you!

Please direct questions and concerns to Amy Kutschbach, Board Secretary at Amy-et-al@woh.rr.com or 419-420-9300.

Club E-News

The Club has eliminated paper newsletters except by special request. Newsletters are distributed via email and posted on the Club's website.
